

Annual AIREF Golf Classic at ISC West

Sponsors, Players Set Records at 5th Annual AIREF Golf Classic at ISC West

IRVING, TX - A record number of sponsors and enthusiastic players made the 5th Annual AIREF Golf Classic at ISC West the most successful fundraising event ever for the Alarm Industry Research and Educational Foundation (AIREF). Bart Didden and Jamie Orvis served as co-chairs for the tournament and AIREF Reception held on April 1, 2008 in Las Vegas.

“This is the sole fundraising event for AIREF and allows the foundation to fund critical research and educational programs that benefit our industry and enhance public safety,” said Didden. Nearly 120 players from throughout the United States registered for the tournament and were joined by industry leaders at the AIREF Reception at The Rock House on the strip.

“We appreciate the commitment and generosity of the sponsoring companies and associations who make this event so successful,” said Orvis. Key support came from \$25,000 Weinstock Sponsors Honeywell Security Group and the Security Industry Association as well as \$10,000 Jackson Sponsors ADI, ISC Expo and Napco Security Group.

The Brinks Home Security foursome was the winner of the tournament thanks to the play of Dave Simon of Brinks Home Security, Bill Cooper of ADT Security Systems, Dave Koenig of Capital Fire & Security and Mike Horgan of Horgan Sales.

“Our thanks to the sponsors, players and volunteers for making this our most successful event yet,” said AIREF Chairman John Jennings. “Bart and Jamie are tireless in their efforts to support the foundation and produce a first class event for our members and friends.” Other volunteers included Dom and Marla D’Ascoli, Pat Remes, John Jennings, George Gunning, Mike Miller and Marshall Marinace.

The 6th Annual AIREF Golf Classic at ISC West will be held March 31, 2009 in Las Vegas. For more information visit www.airef.org.
